What we do, and very well...

Cloud Based, White Label Hosted VoIP Platform
for Service Providers and Resellers
• Began in 2005
• Designed and built our own Software Platform
• Private with self funding, no equity/angels
• Stable, profitable and growing
• Main data center in Maryland (Under Armour Corporate Facility)
• Backup data center in Colorado
• Full redundancy, replication and high availability
• Help Desk staffed from 7am until 8pm (EST). Emergencies are supported after normal hours.
• Agile, responsive and committed
How we're different...

- White Label – 100% pure private label. No Trace of Talking Platforms
- Channel Friendly – Resellers/Service Providers Only. Leads to partners
- Your Business – No commission splits and you’re in control of the system and your customers
- Your Choice – Full Service or myPARTITION Model
- Independent – Don’t rely on softswitch manufacturers or open source software/community. No Asterisk™
- Private – Self funded, no outside influence from private equity, Venture Capital or Angels
- Experience – Started from the early days of VoIP. Built out carrier and service provider networks
- Billing – Fully integrated Billing, Accounting and Tax system. SureTax™/Proration
- Support – Option for standard or White Label End User Support
- Affordable – Low startup cost, no bandwidth charges, no training costs
- Secure – Multi-stage Authentication, DDoS/DoS protection, Toll Fraud protection
